THE PBL PROFESSIONAL

A Welcome from your South Dakota President,
Heather Hall...

It’s the start of a new school year, which unfortunately means back to class, but it also means back to PBL! I want to welcome all of you back and wish you a great year on the local, state, and national level. There are countless exciting things happening in PBL just around the corner.

I want to thank all of you for giving me the opportunity to serve as your 2003-2004 President. We once again have a great Executive Committee that is willing and ready to work for you, the members. I personally look forward to working with each and every one of them to accomplish the goals we have set that will benefit this remarkable organization.

You, the members, are an essential part of the growth and development of this organization. PBL is an awesome chance to meet new people, try new and innovating opportunities, build your resume, attend and compete at conferences, have fun and excel through team building and leadership experiences. Take every opportunity you are given to Get Involved and Excel in PBL!
